

STUDENT ORIENTATION GUIDE

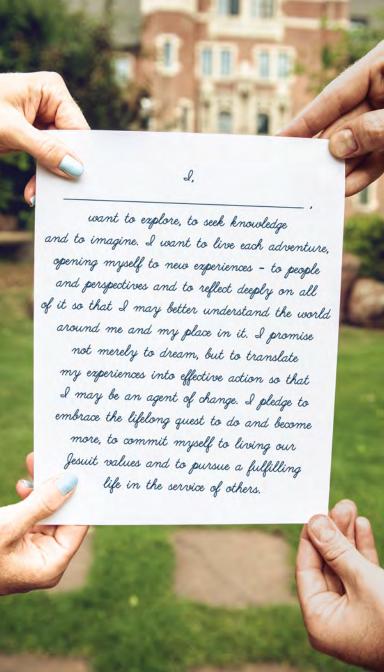

MELCOME RANGERS

TAKE IT ALL IN. Make new friends, best friends. Push yourself to achieve things you never imagined. Have profound discussions with classmates and professors. Gain new perspectives; about life, about yourself, about what lies ahead.

This is your adventure, your chance to explore.
Reflect on who you are and what brought you here.
Contemplate the person you want to become.

Welcome to your Regis experience. Every moment and memory you collect matters.

LET THE ADVENTURE BEGIN!

VISION FOR ORIENTATION

Orientation offers new students a dynamic, vital and transformative encounter with the Regis University academic community through our

EXPERIENCE REFLECTION ACTION

model of education.

KEY JESUIT VALUES

CURA PERSONALIS

Latin phrase meaning "care for the whole person," cura personalis is having concern and care for mind, body and spirit.

MAGIS

Latin meaning "more," *magis* embodies the act of discerning the best choice in a given situation to better glorify or serve God.

MEN AND WOMEN FOR AND WITH OTHERS

This value embodies a spirit of giving and providing service to those in need and standing with the poor and marginalized.

UNITY OF MIND AND HEART

Our hearts and minds are not divided; they are congruent when the whole person is educated and engaged.

CONTEMPLATIVES IN ACTION

Although we are thoughtful and philosophical, we do not merely think about social problems, we take action to address them.

FINDING GOD IN ALL THINGS

We search for and find God in every circumstance of life; God is present everywhere and can be found in all of creation.
